

Fake	meant to be...	滚开	I'm a robot.	===	12345	-I am back-	Go to school
I think so	I am a fun of books	ego	Can't hear what you say	honest	I'm okay	蛤 ?	try your best
Nooooo...	1+1=?	Friends?	Be responsible	I don't know	Confidence	run away	I like weekend
be yourself	你没事吧...	Ever since	Everything I ever did.	Wait... Wait... Wait	I'm like a machine.	*****	You are right
!!!...	Be quiet	I am not a fun of socializing	Alright	100%	Just do it	REAL))-..
Cool	Talk more, please.	Where is my home?	I am a fool.	栓Q	No support from my family	They say...	Who are you? Who am I?

According to my topic, I tried to make some visual pictures of the text. The word circle and word board were inspired by my research interviews. For life seems to me like a circle, with no right or wrong answer, or true destination of life. There is also a feature-line card made for one of my interviewees, which simply depicts her figure.
